11 Plaintiffs,

16 Defendants.

CIVIL ACTION NUMBER:  
**8:11-cv-00485-AG (AJW)**

**DECLARATION OF PHILIP J.  
BERG, ESQUIRE**

Date of Hearing: May 23, 2011  
Time of Hearing: 10:00 a.m.  
Location: Courtroom 10D

## **Declaration of Philip J. Berg, Esquire**

I, Philip J. Berg, Esquire am over the age of 18 and am a party to the within  
action. I have personal knowledge of the facts herein, and if called to do, I could  
and would competently testify. I am making this Declaration under the penalty of  
perjury of the Laws of the United States pursuant to 28 U.S.C. §1746.

26       1. I am an Attorney in good standing, licensed to practice law in the  
27 Commonwealth of Pennsylvania. I am licensed to practice in the U.S.  
28

1 District Courts, Middle and Eastern District of Pennsylvania; the Third  
2 Circuit Court of Appeals, the Pennsylvania Supreme Court; and the U.S.  
3 Supreme Court.  
4

5 2. Plaintiffs have filed an Application for an Ex Parte Order for their  
6 Motion for Leave to file a First Amended Complaint; and for an Order of  
7 this Court that no Motions are to be filed without Leave of Court.  
8

9 3. I am the attorney of record for the Plaintiffs in the matter of Liberi, et  
10 al v. Taitz, et al, U.S.D.C., Eastern District of Pennsylvania, Case No. 09-cv-  
11 01898 ECR, which was recently transferred to this Court.  
12

13 4. I am very familiar with the Records of the proceedings of this case.  
14 When the lawsuit was filed it was filed in Pennsylvania, and therefore, was  
15 drafted in accordance with the Pennsylvania laws. Now that the case is in  
16 this District, it is important that Plaintiffs be allowed to Amend their  
17 Complaint to bring it compliant with the California Laws.  
18

19 5. Moreover, It has been discovered the names of several “DOE”  
20 Defendants, and Plaintiffs must Amend to add the parties names. More  
21 importantly, Plaintiffs must Amend to add Cause of Actions based on new  
22 actions of the Defendants.  
23

24 6. Defendants Orly Taitz as an Attorney and an Officer of the Court by  
25 and through the Law Offices of Orly Taitz along with Neil Sankey of  
26  
27  
28

1 Sankey Investigations, Inc. and the Sankey Firm, Inc. had been harassing the  
2 Probation Departments in the State of California and New Mexico, as well  
3 as the San Bernardino County District Attorney's Office in an attempt to  
4 have Plaintiff Lisa Liberi arrested based on false allegations. Even after  
5 Orly Taitz received a letter from DDA James Secord of the San Bernardino  
6 County District Attorney's Office stating there was no indication that Mrs.  
7 Liberi had violated her terms of Probation, Orly Taitz and Neil Sankey  
8 continued their harassment.

12 7. When this failed, on March 8, 2011, Orly Taitz as an Attorney and an  
13 Officer of the Court by and through the Law Offices of Orly Taitz filed a  
14 Motion for Emergency Revocation of Probation of Lisa Liberi in the San  
15 Bernardino County Superior Court, Rancho Cucamonga Division, Case No.  
16 FWV-028000. Out of Courtesy to Ms. Taitz as a lawyer, Judge Sabet in  
17 Rancho Cucamonga scheduled hearings. The probation report came back  
18 that Plaintiff Liberi had complied with all her terms of Probation, there was  
19 no evidence of any violations; that the NM Probation Office, CA Probation  
20 Office, County Counsel and the San Bernardino County District Attorney's  
21 Office had investigated all of Ms. Taitz allegations against Plaintiff Liberi  
22 and found no merit. Further the report stated that Mrs. Liberi had received  
23 all positive reports, was in full compliance, and had never violated any of  
24  
25  
26  
27  
28

1 her terms. As a result of the reports from Probation, Judge Sabet found and  
2 Ruled that Plaintiff Liberi was not in violation of her Probation and closed  
3 the case. However, three [3] Hearings took place, in which Ms. Taitz and  
4 Mr. Sankey attended and Plaintiff Liberi's attorney had to prepare and attend  
5 the Hearings.  
6

7 8. As if that was not enough, Orly Taitz continually posted on her  
8 website at [www.orlytaitzesq.com](http://www.orlytaitzesq.com) that there were Probation Revocation  
9 Hearings on Plaintiff Liberi, and made no mention that she (Taitz) was the  
10 one that instituted the proceedings, thus, making it appear that Plaintiff  
11 Liberi had done something wrong. When the Court denied Orly Taitz's  
12 Motion, Ms. Taitz then put on her website that four [4] additional felony  
13 charges were being investigated against Plaintiff Liberi, knowing the  
14 information to be false.  
15

16 9. For these reasons, it is important that Plaintiffs be granted Leave to  
17 file their Amended Complaint and add the Cause of Actions for Malicious  
18 Prosecution and Abuse of Process, as well as their original claims pursuant  
19 to California Law. Plaintiffs will be severely prejudiced if this Court denies  
20 their Motion for Leave to Amend, as they will not have any other means for  
21 redress.  
22  
23  
24  
25  
26  
27  
28

1       10. Orly Taitz filed a Motion to have me “Terminated” as Plaintiffs’  
2       Counsel in this case. The Hearing on Ms. Taitz Motion is currently set for  
3       May 9, 2011 at 10:00 a.m. before Your Honor. Plaintiffs Responded in  
4       Opposition and stated they would be seeking Leave to Amend their  
5       Complaint.  
6

7       11. Thereafter, Ms. Taitz sent an email directly to Plaintiff Ostella, which  
8       appeared to be a threatening email, see **EXHIBIT “1”**. This email was sent  
9       to undisclosed recipients and bcc’d to Mrs. Ostella. I immediately  
10      responded to Ms. Taitz informing her she was not to contact my clients. *See*  
11      **EXHIBIT “2”**. No sooner did she get my email, she again sent emails to  
12      Mrs. Ostella and Mrs. Liberi with copies of documents attempting to  
13      prejudice my clients against me, see **EXHIBIT “3”**. I again notified her in a  
14      formal letter that she was not to contact my clients, and outlined the law to  
15      her in that regard. *See EXHIBIT “4”*. I am still the attorney of record, all  
16      communications from her are to come through me. I also informed Ms.  
17      Taitz that she did not give any basis or legal reasoning for her threatened  
18      Motion to Dismiss and therefore, I was unable to meet and confer with her.  
19      I never heard back from Ms. Taitz.  
20

21       12. On April 25, 2011, Orly Taitz filed an Anti-SLAPP Motion and  
22      Motion to Dismiss pursuant to *Fed. R. Civ. P.* 12(b)(1) and 12(b)(6), which  
23

1           is currently set for Hearing on May 23, 2011. Further, this Court set the  
2           Scheduling Conference for June 6, 2011.  
3

4           13. On April 27, 2011, the Court entered in the Docket a deficiency Order  
5           to Ms. Taitz regarding her April 25, 2011 Motion to Dismiss. The  
6           deficiency notice was Ms. Taitz failure to follow the rules and give proper  
7           notice of the hearing and for the fact her Motion was way over the page  
8           limit.  
9

10           14. As you are aware, I am an attorney who practices law for a living in  
11           the Commonwealth of Pennsylvania. It is not a problem for me to fly out  
12           and attend Hearings, however, when Hearings are set roughly a week apart  
13           on repeated Motions, it becomes a problem. Not only is it expensive, but I  
14           have to close my office. Not to mention it is a waste of judicial resources.  
15           Ms. Taitz has filed numerous *Fed. R. Civ. P.* 12 Motions as demonstrated by  
16           the Docket and also filed an Anti-SLAPP Motion, almost identical to the one  
17           filed April 25, 2011, which have been litigated and adjudicated. Therefore,  
18           Ms. Taitz Motions are improper and in violation of the *Fed. R. of Civ. P.*  
19

20           23. Despite this, as this Court is aware, the filing of an Amended  
21           Complaint moots any pending Motions to Dismiss, including Anti-SLAPP  
22           Motions. It is a waste of judicial resources to have a Hearing on Ms. Taitz's  
23           Motion to Dismiss on May 23, 2011, and then allow Plaintiffs to Amend.  
24  
25  
26  
27  
28

1 For this reason, Plaintiffs have filed an Ex Parte Application or in the  
2 Alternative a Motion Shortening Time to have their Motion for Leave to  
3 Amend heard and adjudicated. It is my belief that a Hearing is not  
4 necessary, however, should this Court feel differently, then Plaintiffs are  
5 asking that their Motion be Heard on May 9, 2011 at the same time as Ms.  
6 Taitz Motion to “Terminate” me from representation of my clients. This  
7 way, the Amended Complaint will be filed, Defense Motion to Dismiss will  
8 be moot, there will not be any reason for Plaintiffs to Respond to Ms.  
9 Taitz’s Motion; and the Court date of May 23, 2011 will be vacated.  
10 Further, I will not have to fly out to California on a weekly basis, and  
11 expend large amounts of money due to the travel for a Hearing which will  
12 become moot upon the filing of Plaintiffs Amended Complaint.

13 16. In addition, as this Court can see from the clogged Docket, especially  
14 within the last six [6] months, Ms. Taitz continues filing Motion after  
15 Motion, which are not compliant with the *Fed. R. Civ. P.* and have  
16 absolutely no merit. Plaintiffs in turn are required to Respond, otherwise it  
17 appears as if they waive their rights and agree with the Motion. As a result,  
18 Plaintiffs case has become so convoluted and Ms. Taitz has been successful  
19 in her attempts to re-write what this case truly represents, which has been  
20 very prejudicial to my clients.

1       17. I would like to bring to this Court's attention, in Ms. Taitz's latest  
2 filings; she has again filed a statement from Geoff Staples with forged  
3 emails. The emails have been altered and forged to depict Plaintiff Liberi's  
4 email address; however, if you look at the email's header information below  
5 each, you will see that Plaintiff Liberi's email address is nowhere in there,  
6 why? Because Plaintiff Liberi did not send or receive the emails in  
7 question. All of this was outlined in my Motion to Judge Robreno to use his  
8 inherent powers and issue an Order to Show Cause upon Orly Taitz for the  
9 continued filing of Forged Documents. *See* Plaintiffs filing of October 7,  
10 2010, appearing as Docket Entry No. 146.

11      18. Further, in Ms. Taitz filing of April 25, 2011, included in Geoff  
12 Staples attachments are names, addresses and credit card numbers of donors.

13      19. Despite this, Ms. Taitz continues to file altered and forged documents  
14 which should not be permitted. Plaintiffs Motion was never adjudicated as  
15 the case was transferred to this District.

16      20. For this reason and for the reasons outlined in Plaintiffs Motion and  
17 Application for Ex Parte Orders, it is imperative for this Court to issue an  
18 Order that no Motions or papers are to be filed with the Court without first  
19 seeking and being Granted Leave to file the Motions and/or papers.

1       21. In Pennsylvania, Judge Robreno issued an Order that no Motions  
2       could be filed without Leave of Court on June 25, 2009. It slowed Orly  
3       Taitz down from her filings; however, at the end of the case while we were  
4       waiting on adjudication on her Appeal, so the Case could be transferred to  
5       this Court, Taitz was filing several Motions without Seeking Leave, thereby  
6       violating Judge Robreno's Order. I hope this will not occur here in Your  
7       Honor's Court.  
8

9       10      22. Pursuant to this Court's Local Rules 7-3 and 7-19, I emailed and  
11       faxed a letter to all Defendants on Wednesday, April 27, 2011, that Plaintiffs  
12       were seeking Leave to Amend their Complaint and for an Order of the Court  
13       that no Motions were to be filed without Leave of Court by Ex Parte means.  
14       I stated in my letter, that pursuant to *Fed. R. Civ. P.* 15(a), and for Good  
15       Cause Shown, Plaintiffs would be requesting Leave to Amend, which would  
16       moot the February 23, 2011 Hearing on Defendant Orly Taitz's Motion to  
17       Dismiss. A true and correct copy of this email is attached hereto as  
18       **EXHIBIT “5”** and the letter is attached hereto and incorporated in by  
19       reference as **EXHIBIT “6”**.  
20

21       22      23. I received an email back from Todd Sankey, owner of the Sankey  
23       Firm, Inc. that he was out of the office and to email Neil Sankey. *See*  
24       **EXHIBIT “7”**. Neil Sankey was served with my Ex Parte Meet and Confer  
25

1 letter, but as of the date of this filing, Friday, April 29, 2011, I had not  
2 received a response.  
3

4 24. On Thursday, April 28, 2011, I received an email from Defendant  
5 Orly Taitz, which Orly Taitz also sent directly to my clients, after she was  
6 told not to contact my clients, by me and my clients directly, as depicted in  
7 Ms. Taitz's email attached hereto and incorporated in by reference as as  
8 **EXHIBIT “8”**. Orly Taitz claims Plaintiffs Motion for Leave to Amend is  
9 frivolous and that I am practicing law without a license. My clients signed  
10 all the pleadings as well as I did. Further, as noted on the Court Docket, it  
11 shows me as counsel of record as *Pro Hac Vice*.  
12

13 25. For the reasons outlined herein and outlined in Plaintiffs Ex Parte  
14 Application; Motion for Leave to file an Amended Complaint and for an  
15 Order that no Motions are to be filed without Leave of Court and for good  
16 cause shown, I respectfully request this Honorable Court to Grant Plaintiffs  
17 Ex Parte Application and Motion allowing them to Amend their Complaint;  
18 and for an Order that no Motions are to be filed without Leave of Court.

## **EXHIBIT “2”**

From: Philip Berg <philjberg@gmail.com>  
Date: Tue, Apr 12, 2011 at 11:36 PM  
Subject: Fwd: FW: notification regarding impending motion to dismiss the case in its'entirety and defendants' claim for damages and attorney' fees  
To: Orly Taitz <orly.taitz@gmail.com>, Orly Taitz <dr\_taitz@yahoo.com>

Dear Ms. Taitz:

I am in receipt of an email that you sent my client, Lisa Ostella, and failed to send to me or my office. In fact, your email was sent to undisclosed recipients and bcc'd to Lisa Ostella. You are an attorney in the State of California and are very familiar, or should be, with the rules and laws of Court. As you are well aware, you are NOT to contact a party to a suit who is represented by counsel. Therefore, I demand you refrain from any further contacts. You have the below email sent to "Pro Se Plaintiffs" in the Liberi, et al v. Taitz, et al case. However, the other *pro se* parties never received the email and they too are represented by me, so I trust all future communications will be directed to me and not to my clients.

As for your "meet and confer" besides being completely improper, the email is of a threatening nature. There is no such Rule, which I take to mean, California Court Rule, 425 in either Federal Court or State Court. If you are referring to a specific code pursuant to the California Code of Civil Procedure, beginning with CCP 425.10, it is not applicable to our Federal Case. This case is a Federal Case, and therefore the Federal Rules of Civil Procedure would apply. As for any type of Motion to Dismiss, it would fall under Rule 12; not that it is my responsibility to teach you the law. In any event, you have already filed approximately six (6) to eight (8) Motions in Pennsylvania to Dismiss under Rule 12, and therefore, you are restricted from filing yet another one. *See* F.R.C.P. 12(g)(2). Further, you have waived all affirmative defenses by your failure to raise them in your Answer to the Plaintiffs Complaint. *See* F.R.C.P. 12(h)(1)(B)(ii).

Your "meet and confer" fails to state what the basis of your "supposed" Motion to Dismiss is or would be, therefore, I am unable to meet and confer with you on behalf of my clients regarding your demands. Moreover, neither Plaintiff Lisa Liberi nor myself are vexatious litigants, any Motion filed claiming this false statement is frivolous and without merit. I will oppose any filing falsely asserting my client Lisa Liberi or myself are vexatious litigants.

I will also remind you, you yourself have filed numerous documents in the Pennsylvania Federal Court, which Judge Guilford in California now has,

admitting to wrongs against my clients. You even admitted that Plaintiff Liberi has viable claims against you. Not to mention, all of your internet postings on your website, by mass emailing, mass postal mailing and postings all over the World Wide Web, sent out through twitter and Facebook, as well as other social networks, include false statements, false allegations, false recitations of the case, and Plaintiffs private data including your hate speech, inciting of violence against my clients, your cyber-stalking and cyber-bullying of my clients. Your illegal tactics and behaviors have not stopped. In fact your most recent inflammatory, deceptive and false postings regarding Mrs. Ostella and Mrs. Liberi were posted by you in an article you entitled, "More Stonewalling and Obstruction of Justice..." on April 8, 2011. Then on April 9, 2011, you posted an open email to Joseph Farah of WND, which you posted on [www.businessinsider.com/c/4da0064bd7c81917080000](http://www.businessinsider.com/c/4da0064bd7c81917080000), this post has gone out on over 17,000 RSS feeds.

All of your postings that are degrading, insulting, false allegations, false statements, badgering, cyber-stalking, cyber-bullying and persecuting my clients, Lisa Ostella and Lisa Liberi have continued and are admissible evidence. This is also the reason my clients are suing you. In fact, you still have on "The Betrayal" website at <http://www.oilforimmigration.org/facts/?p=1478> your Dossier No. 6, which contains my client, Lisa Liberi's full Social Security Number, date of birth and other private data, including that of her husband. The Betrayal website is run by your supporter, David Crockett a/k/a David T. Baldursson. You have been put on notice regarding this several times. If this is not removed, then I will have no other alternative then to seek a Restraining Order against you under CCP 1798, et seq. If the internet postings regarding the Plaintiffs in this case, which under the law are cyber-bullying and cyber-stalking, remain on your website and other websites you have asked to post, then I will also be seeking a TRO and an Order of the Court for the removal of these posts. These posts include but are not limited to my client's pictures, addresses, phone numbers, etc., which you do not have and never did have authorization to post. These continued postings, distribution of, and inciting is cyber-bullying and cyber-stalking, which you have also been placed on notice of.

You are always welcome to file a counter-suit, however, not only are my clients not guilty of your allegations, be advised, not only have the Statute of Limitations run, I would file an Anti-SLAPP Motion and have your counter-suit dismissed. Thus, I am in disagreement with your threat of a Motion to Dismiss and/or counter-suit and will oppose any such motion or suit, and I will request attorney fees and sanctions.

So there is no misunderstanding, you cannot contact my clients.

Respectfully,

Dear pro se litigants Ms. Ostella, Ms Liberi, Ms Adams, Go excel Global  
I did not contact any of you, while you were represented in PA by attorney Berg. Currently you are not represented by an attorney and you filed a motion in CA as pro se litigants. As such, not only I have a full right to contact you directly, I have a duty to communicate with you directly regarding this case.  
1. First, I wanted to know whether Mr. Berg put you on notice, that your status have changed and that he filed a motion (see attached), where Lisa Ostella and Lisa Liberi are listed as pro se litigants(not represented by an attorney)? Are you aware that a motion was filed in court with you as a pro se litigant and without your signature?  
2. did you sign a consent to proceed in this action as a pro se litigant?  
3. Did Mr. Berg put you on notice, that just last month the same judge, Hon Andrew Guilford denied Mr. Berg's application to represent a client in his court pro hac vice (as an out of state attorney associated with a in state attorney). In that case there was an in state attorney, and in spite of that, Judge Guilford denied Berg's application to represent a client in his court. In this case there is no in state attorney and there is no way for judge Guilford to authorize Berg's application without in state attorney and with Disciplinary proceedings going on against Philip Berg at the disciplinary Board of the Supreme Court of PA.

4. Are you aware that according to the rules of the bar of the state of Oklahoma, dated January 25, 2000, I can't talk to you and offer legal advice to you until you file a complaint with the Disciplinary Board of the Supreme Court of Oklahoma, and that I can't accept your case until the Disciplinary Board has issued a final decision in my favor.

Dear pro se litigants Ms. Ostella, Ms Liberi, Ms Adams, Go excel Global I did not contact any of you, while you were represented in PA by attorney Berg. Currently you are not represented by an attorney and you filed a motion in CA as pro se litigants. As such, not only I have a full right to contact you directly, I have a duty to communicate with you directly regarding this case.

1. First, I wanted to know whether Mr. Berg put you on notice, that your status have changed and that he filed a motion (see attached), where Lisa Ostella and Lisa Liberi are listed as pro se litigants(not represented by an attorney)? Are you aware that a motion was filed in court with you as a pro se litigant and without your signature?
2. did you sign a consent to proceed in this action as a pro se litigant?
3. Did Mr. Berg put you on notice, that just last month the same judge, Hon Andrew Guilford denied Mr. Berg's application to represent a client in his court pro hac vice (as an out of state attorney associated with a in state attorney). In that case there was an in state attorney, and in spite of that, Judge Guilford denied Berg's application to represent a client in his court. In this case there is no in state attorney and there is no way for judge Guilford to authorize Berg's application without in state attorney and with Disciplinary procedings going on against Philip Berg at the disciplinary Board of the Supreme Court of PA.
4. Are you aware, that early on, at the onset of the case, after the hearing on June 25, 2009, I met with Mr. Berg and offered him not to file any legal

actions against you and not to seek attorneys fees and damages against you, if he dismisses this case with prejudice? Are you aware that nearly 2 years ago there was an offer on the table for you to dismiss this case with prejudice and for me not to seek damages against and not to proceed in any actions against you?

In conclusion, as you are listed as a pro se litigants in this case according to the latest filing, I have to communicate with you directly. As I have stated previously, I am intending to file a motion to dismiss this case in its' entirety. As Judge Robreno transferred the case to CA, he was not willing to rule on any issues. The Court of Appeals ruled that they did not have jurisdiction to rule on pending motions and those need to be brought in the transferee court. State of CA allows for additional causes of action to dismiss a frivolous case, brought to silence whistleblowers. I intend to file a motion to dismiss and to seek damages and attorneys fees. Additionally, I have valid causes of action against you for defamation of my character, slander, intentional infliction of severe emotional distress and diversion of funds from Defend Our Freedoms foundation.

As I am busy with a number of very important legal actions in different courts I will be willing not to proceed against you, if you dismiss this case in its' enirety with prejudice and I do not need to waste more time on this. This offer is open until Friday, April 15, 9am. If you have any questions, as a pro se litigant, you can contact me directly at 949-683-5411 or at

Re: *Liberi, et al v. Taitz, et al, Case No. 8:11-cv-00485-AG (AJW)*

Dear Ms. Taitz:

I am in receipt of the emails you have once again sent to my clients, Lisa Liberi and Lisa Ostella. This continued contact with my clients, after I specifically told you I represent them and you are not to contact them, constitutes harassment and communications for an unfair advantage in the case.

As for your statements regarding the comment on the Response in Opposition to your Motion to Terminate me as Plaintiff's counsel, Lisa Liberi and Lisa Ostella stated, "*Plaintiffs in pro se pending Mr. Berg's Pro Hac Vice Admission*". Contrary to your beliefs, that statement was not placing my clients in *pro se*, as demonstrated by the fact they have not filed a Substitution of Counsel. This statement was due to the fact, I am not admitted *Pro Hac Vice* in Judge Guilford's Court as of the date of filing, and therefore, they were informing the Judge that they were in *pro se* in his particular Court until and only until my admission *Pro Hac Vice would be granted*. This was also proven by the fact that Plaintiffs Lisa Liberi and Lisa Ostella have their contact details in care of me, their attorney. Further, as the Court record reflects, as of this date I am still the Attorney of Record.  
As a California Licensed Attorney, you are required to be familiar with the Rules of Professional Conduct. In particular,

Rule 2-100 states: "[A] member shall not communicate directly or indirectly about the subject of the representation with a party the member knows to be represented by another lawyer in the matter, unless the member has the consent of the other lawyer."

Section 284 provides that a party may change her attorney at any time. Its companion provision, Section 285, states: "When an attorney is changed, as provided in [section 284], written notice of the change and of the substitution of a new attorney, or of the appearance of

Orly Taitz  
Page Two of Five

the party in person, must be given to the adverse party. Until then counsel must recognize the former attorney."

The purpose of these California statutes is to have the record of representation clear so the parties may be certain with whom they are authorized to deal. (*People v. Metrim Corp.* (1960) 187 Cal.App.2d 289, 294.) See also § 285; *Epley v. Califro* (1958) 49 Cal.2d 849, 854 [written notice of substitution of new attorney must be given to adverse party; until then, the attorney of record must be recognized as his client's exclusive representative]; *Sherman v. Panno* (1954) 129 Cal.App.2d 375, 379 ["We believe the clear intention of the Legislature, as expressed in section 285 . . . is that the plaintiffs' attorneys were bound by law to recognize defendants' former attorney of record *until they received written notice of a substitution of attorneys*"].)

There are numerous cases which address this issue. In *Abeles v. State Bar* (1973) 9 Cal.3d 603, an attorney was disciplined for communicating with an opposing party even though the record showed that pleadings had been filed on the party's behalf by a law firm. The Court concluded: "In view of the purposes of the rule we believe that 'a party represented by counsel' includes a party who has counsel of record whether or not that counsel was in fact authorized to act for the party." (*Id.* at p. 609; See also *Jackson v. Ingersoll-Rand Co.* (1996) 42 Cal.App.4th 1163, 1168 [a party had a "counsel of record" when the attorney's name appeared on a pleading filed on the party's behalf].)

Rule 2-100 is intended to preserve the attorney-client relationship. (*Myerchin v. Family Benefits, Inc.* (2008) 162 Cal.App.4th 1526, 1537; *Jackson v. Ingersoll-Rand Co., supra*, 42 Cal.App.4th 1163, 1167.) The preservation of the attorney-client relationship in such a circumstance is achieved by the *pro se* declining to speak with the adversary or referring him to associated counsel should she wish to do so.

**My clients do not want you contacting them, and I am again stating to you, that you are not to contact my clients.** Otherwise, we will be forced to file an Ex Parte Motion with Judge Guilford requesting an Order preventing you from contacting my clients, and if he feels it necessary, submit it to the State Bar of California for your violations of the Rules of Professional Conduct. As the Courts in California have held: "The court's goal is not to impose a *penalty*, as the propriety of punishment for violation of the Rules of Professional Conduct is a matter within the purview of the State Bar, not of a court presiding over the affected case. (See Bus. & Prof. Code, § 6077; *Noble v. Sears Roebuck & Co.* (1973) 33 Cal.App.3d 654, 658-659.) Instead, what the Court must do is focus on identifying an appropriate remedy for whatever *improper effect* the attorney's misconduct may have had in the case before it." (*Myerchin v. Family Benefits, Inc., supra*, 162 Cal.App.4th 1527, 1538.)

My clients, Lisa Liberi and Lisa Ostella will not dismiss the pending case against you and reject your demands. However, if you are seeking a settlement in this case, my clients would be willing to settle the within case pertaining to you and your corporation, Defend our Freedoms Foundations, Inc. on the following Grounds:

**Re: Liberi, et al v. Taitz, et al, Case No. 8:11-cv-00485 AG (AJW)**

**Dear Defendants and Counsel of Record,**

This email and faxed letter are a Meet and Confer, pursuant to the Court's L.R. 7-3; and 7-19 regarding Plaintiffs intent to File an Ex Parte Application for an Order on Plaintiffs Motion for Leave to File their First Amended Complaint; and for an

**Order from the Court that no Motions are to be filed without the party first seeking Leave of Court.**

As you are aware, the case was transferred from Pennsylvania, and therefore Plaintiffs Complaint is not compliant with the California Standards and therefore, needs to be Amended as to such. Furthermore, Plaintiffs have identified "Doe" Defendants; and have additional causes of action to file for "Malicious Prosecution" and "Abuse of Process" for Defendants Malicious Prosecution of Plaintiff Liberi.

If I do not hear from you by the end of day Friday, April 29, 2011, Plaintiffs will file their Ex Parte Application for an Order on their Motion for Leave to File a First Amended Complaint and an Order that no Motions can be filed by any party without first seeking Leave of Court. Consecutively, Plaintiffs will file their Motion for Leave to file a First Amended Complaint; and Plaintiffs request that the Court to issue an Order that no parties may file any Motions without Leave of Court.

In the alternative, if the Court feels a Hearing is necessary, Plaintiffs are seeking any Response thereto by the Defendants must be Filed on or before Wednesday, May 4, 2011; and any Replies thereto by the Plaintiffs must be filed on or before May 6, 2011. The Request is that time be shortened to have the matter heard on May 9, 2011 along with Defendant Taitz's Motion to "Terminate" the under signed from representing the Plaintiffs.

Please understand, once the Court grants Plaintiffs Leave to File their First Amended Complaint, Defendant Taitz's Motion to Dismiss pursuant to Anti-SLAPP and Fed. R. Civ. P. 12(b)(1) and 12(b)(6) becomes moot.

Please do not hesitate contacting me on my office line at (610) 825-3134; or on my cell at (610) 662-3005. I need to know your position before Friday at 3:00 p.m. EST.

I look forward to hearing from you.

Thank you.

Re: **Liberi, et al v. Taitz, et al, Case No. 8:11-cv-00485 AG (AJW)**

Dear Defendants and Counsel of Record,

This email and faxed letter are a Meet and Confer, pursuant to the Court's L.R. 7-3; and 7-19 regarding Plaintiffs intent to File an Ex Parte Application for an Order on Plaintiffs Motion for Leave to File their First Amended Complaint; and for an Order from the Court that no Motions are to be filed without the party first seeking Leave of Court.

As you are aware, the case was transferred from Pennsylvania, and therefore Plaintiffs Complaint is not compliant with the California Standards and therefore, needs to be Amended as to such. Furthermore, Plaintiffs have identified "Doe" Defendants; and have additional causes of action to file for "Malicious Prosecution" and "Abuse of Process" for Defendants Malicious Prosecution of Plaintiff Liberi.

If I do not hear from you by the end of day Friday, April 29, 2011, Plaintiffs will file their Ex Parte Application for an Order on their Motion for Leave to File a First Amended Complaint and an Order that no Motions can be filed by any party without first seeking Leave of Court. Consecutively, Plaintiffs will file their Motion for Leave to file a First Amended Complaint; and Plaintiffs request that the Court to issue an Order that no parties may file any Motions without Leave of Court.

In the alternative, if the Court feels a Hearing is necessary, Plaintiffs are seeking any Response thereto by the Defendants must be Filed on or before Wednesday, May 4, 2011; and any Replies thereto by the Plaintiffs must be filed on or before May 6, 2011. The Request is that time be shortened to have the matter heard on May 9, 2011 along with Defendant Taitz's Motion to "Terminate" the under signed from representing the Plaintiffs.

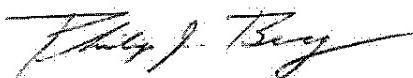

Please understand, once the Court grants Plaintiffs Leave to File their First Amended Complaint, Defendant Taitz's Motion to Dismiss pursuant to Anti-SLAPP and Fed. R. Civ. P. 12(b)(1) and 12(b)(6) becomes moot.

Please do not hesitate contacting me on my office line at (610) 825-3134; or on my cell at (610) 662-3005. I need to know your position before Friday at 3:00 p.m. EST.

I look forward to hearing from you.

Thank you.

Respectfully,

Philip J. Berg

Mr. Berg

please, be advised, that you are engaged in practice of law without a license, which is a felony.

You were not granted a pro hac vice to represent Liberi or anyone else.

Your proposed ex parte is totally frivolous and will be opposed. I will be adding my attorney's fees as further damages against you and your co-plaintiffs Liberi, Ostella and Adams, for preparing such opposition to the high attorney's fees already incurred in defending your totally frivolous legal action, brought with an only goal of harassment and infliction of severe emotional distress.

I am reporting to the Disciplinary board of the Pennsylvania Supreme Court your representation of clients in California without a license and without pro hac vice, particularly after Judge Guilford expressly denied your pro hac vice in a different case.
